## Teaching

---

Georgia State University      CRJU 3410, Criminological Theory  
CRJU 3020, Research Methods in Criminal Justice

University of Manchester      SOCY30292, Sociological Applications of Social Networks

Simon Fraser University      CRIM 413, Terrorism  
CRIM 220, Research Methods in Criminology

## Research Positions

---

2014-16      Research Analyst  
*Canadian Network for Research on Terrorism, Security, and Society*  
Assisted with the creation of a national database of Canadian terrorism incidents.

2014-15      Research Fellow  
*Public Safety Canada, Government of Canada*  
Conducted analyses on repeat offending in a terrorism context.

2014      Research Fellow  
*National Consortium for the Study of and Responses to Terrorism (START),  
University of Maryland*  
Produced a report on methods to disrupt drug trafficking networks.

2013      Research Analyst  
*Commission of Inquiry on the Awarding and Management of Public Contracts  
Analyst in the Construction Industry*  
Analyzed public bidding data to monitor and detect collusion.

2012      Intern  
*United Nations Office of Drugs and Crime, New York City*

## Service

---

Associate Editor, Global Crime Journal

Editorial Board, International Criminal Justice Review

Scientific Committee, *International Network for Social Network Analysis*, 2019

Collaborator, International Centre of Comparative Criminology, Université de Montréal

Peer Reviewer:

- Criminology
- Criminal Justice & Behavior
- Criminal Justice, Law & Society
- European Journal on Criminal Policy and Research
- International Journal of Offender Therapy and Comparative Criminology
